

Affiliates Meeting  
Wednesday,  
April 10, 2019

Deb Zimmermann,  
Board Chair

# History:

- **1999** – AONE establishes AONE Institute for Patient Care Research and Education
- **2008** – Renamed AONE Institute for Nursing Leadership Research and Education
- **2010** – AONE Foundation becomes a separate, charitable entity as a supporting organization of AONE.
- **2019** – AONE Foundation becomes AONL Foundation

# AONE Foundation's New Vision:

*“A healthier tomorrow advanced through nursing leadership.”*

# AONE Foundation's New Mission:

*“Bridging science and education to  
shape the future of nursing  
leadership.”*

# Research and Education Focus:

The AONE Foundation supports its vision and mission by:

- Demonstrating the impact of nursing leadership on:
  - The patient experience,
  - Population health,
  - Health care’s “value proposition” of quality, service, and cost, and
  - The well-being of clinicians.
- Focusing on the design and implementation of care delivery and population health models across the care continuum.
- Discovering evidence-based approaches to advance nursing leadership, recognizing the diversity of individuals and roles across health care.

# 2019 – 2023 Strategic Plan Goals

1. A sustainable \$10 million Foundation fund is developed to support research, education, and annual operations.
2. Greater than 90% of AONL membership has high awareness and appreciation of the Foundation's impact by 2023, and greater than 20% of AONL membership supports the Foundation through personal giving.

# 2019 – 2023 Strategic Plan Goals

3. A significant increase in rigorous nursing leadership studies published in peer-reviewed journals is achieved. (1 in 2019 to 12 by the end of 2023).
4. A forum/mechanism is established to coordinate and curate existing and new nursing leadership research findings and leverage the collective ongoing knowledge and efforts of nurse leaders.

# 2019 – 2023 Strategic Plan Goals

5. At least 20 individual scholarships (financial assistance) are awarded to attend AONE education events from 2019 through 2023.
6. The dissemination of nurse leadership knowledge is accelerated through partnerships/collaboration.

# Next Steps

- Operationalize and live the strategic plan.
- Continue to engage with volunteers, donors, and others to work towards the new mission and vision.

# Current work continues:

- 5 research studies currently funded.
- 4 studies will be announced on Friday.
  - 3 workforce development grants
  - A study on CNO turnover.
- Later this year will have additional opportunities for studies on nursing leadership's impact in patient experiences and clinician well-being.
- Financial aid awards later this year.
- Nurse Researcher of the Year and Friend of the Year to be awarded Friday.
- Soirée and auction fundraising.
- Fundraising and awareness building ongoing.
- Engaging with volunteer groups to work towards our mission and vision.
